

DILHARA ABEYSEKERA

ABOUT ME

"I am a passionate and creative individual with a strong foundation in Information Communication Technology (ICT) and a commitment to pursuing a career as a software engineer, specializing in front-end development. With a background in ICT and a current internship in the IT industry, I am dedicated to continuously enhancing my skills and knowledge. My keen interest in UI/UX design reflects my ability to blend creativity with technical expertise. I am driven to build a successful career in the dynamic and innovative field of IT."
